

2023
GIVING CATALOG

“... a garment of praise

... instead of a spirit of despair” Isaiah 61:3

ABOUT HEED

In a place the world had seemingly abandoned, God is doing great things.

- Where children once dreamed of just getting a meal, they now dream of becoming mechanics, teachers, or computer programmers.
- Where health care was once inaccessible, mothers safely deliver babies in our community clinic.
- Where dirty pond water was all they had ever known, students nourish their bodies with purified, clean water.

We have come so far, but there is more ground to be gained. We now serve about 6500 people from 5 villages and have almost 800 students enrolled in our schools. We are making strides toward sustainable operations and the schools and clinic are now covering about 80% of their own costs. This catalog contains some of our 2023 programs and initiatives. We invite you to participate with us in projects that will bring lasting change.

If you would like to give an item as a gift, state that on the Give Page or with your donation via our website. We will send you or your loved one a card honoring your gift.

HEED: OUR MISSION

To partner with communities in Uganda so that children and their families experience fullness of life for generations.

Our Pathways to Community Transformation

- Education
- Water Projects
- Spiritual Growth
- Health & Sanitation
- Food Security & Income Generation

Follow news and project updates through the year on our blog at:
www.heedugandaprojectupdates.blogspot.com

EDUCATION

Education creates a path out of poverty.

For each additional year of schooling, a girl will have fewer children, they will be healthier, and her lifetime wages will increase by 10%. Education is key, and we are making space for more students. Soon high school dormitories will be completed freeing up eight classrooms that were serving as temporary boarding space. Our new classrooms and dormitory need furnishing.

Vocational skilling for our high school students and others from the community equips them to live productive lives and earn a living.

Equip buildings & provide vocational supplies

- New curriculum textbook | **\$8** (500 needed)
- Carpentry tool kit | **\$16**
- Garden hoe & machete | **\$25**
- Bunk bed | **\$60 each** (50 needed)
- Mattress & blanket | **\$60 each** (50 needed)
- Classroom desk | **\$80** (50 needed)
- Classroom chair | **\$50** (50 needed)
- Sweater making machine | **\$135**
- One-month teacher's salary | **\$250**

PAVE THE WAY

Create a legacy.

A custom paver will be created by our vocational students with your loved one's name or personal message of up to 20 characters. Your gift will provide employment, create "a courtyard of love" around our magnificent, new multipurpose building pictured below, and provide funds for a community water project. You will receive a photo of the paver once it is created. **For orders received by December 10th, we will send a photo of the paver in time to give a unique, personal gift for Christmas.**

Provide paver information on the form in the the back of this booklet and return by mail, or go online to www.heeduganda.org/give.

A Permanent Testament To Your Loved One

Pavers are **\$100 each**

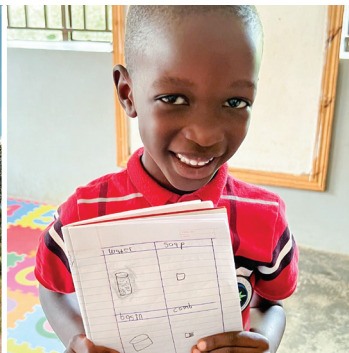

WATER, SANITATION & HYGIENE

Water brings life.

An adequate year-round water supply for the schools is something we are still working toward. An addition to the water collection system at the high school would increase the school's water supply by 33%. Water purifiers for each classroom would ensure that harvested water is pure, and additional hand washing stations are needed throughout the campus to ensure that germs are easily washed away.

Supply Water & Hygiene

- Month's supply of soap | **\$35**
- Handwashing station | **\$100**
- Classroom water purifier | **\$100**
(8 needed)
- Water distribution station & tap | **\$250**
- Water tanks | **\$700 each** (3 needed)

SPIRITUAL GROWTH

Every child is created in the image of God, is valuable, and has a purpose.

Our village church is growing and thriving, and their building has been built bit-by-bit. It has finally been completed inside and out except for the final coat of paint which will help preserve the bricks and plaster.

Equip the church to reach out to pastors and hold special events for women, youth and children.

Build the Kingdom

- 5-day area youth camp | **\$10/child** (600 kids)
- Bible for Scripture Union students | **\$15** (100 needed)
- Area Pastor's Fellowships | **\$100/day**
- 3-day Gospel Blaze Youth Outreach team | **\$335/day**
- Paint church | **\$4000**

EMPOWER FUTURES

God created us to flourish, but barriers like poverty hinder that.

Education empowers futures in people of all ages. In addition to our schools, we have launched a vocational institute, empowerment programs for community members, and plan to begin an adult literacy program in 2023. Our survey revealed that 45% of the women in the community can't read or write.

Villagers typically cook on a 3-stone open fire. Breathing the smoke is a health hazard. Women spend hours seeking and cutting firewood which is contributing to drought through deforestation. We have developed a program to empower the community to build efficient cook stoves utilizing local materials which will use 90% less firewood. An efficient stove would be life changing for a family!

Provide Training

- Materials to build 1 stove | **\$15**
- Saving circle starter kit | **\$100**
- Adult literacy instructor | **\$125/mo**
- Materials to build 10 stoves | **\$150**
- Soap making | **\$200/20 people**
- Yogurt making | **\$350/20 people**

FOOD SECURITY & INCOME GENERATION

Innovation for better futures.

Our demonstration farming program allows us to grow crops to decrease school expenses and to demonstrate innovative ways to generate income for our students, vocational program, and community.

This year, we plan to expand our coffee plantation and plant trees throughout the community to create a natural forest for the area to help generate rainfall. We will provide macadamia, cashew, mahogany, and Iroko trees and teach community members how to care for their tree. Our goal is to plant 20,000 trees in a 6 square mile area.

Equip Our Demonstration Farm

- 10 chicks | **\$25**
- 1 piglet | **\$50**
- 1 Milk goat | **\$80**
- 50 trees | **\$100**
- 50 coffee bushes | **\$125**
- Veterinary kit | **\$425**
- 1 cow (you name) | **\$700**
- Goat house | **\$750**
- Silage maker for animal feeds | **\$1500**

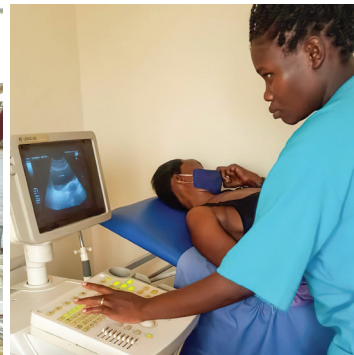

HEALTH

Healthy children learn better.

Our community clinic serves our students, staff, and over 6500 people from six villages. In 2022, we added a midwife to our clinic staff so that mothers don't have to travel 12 miles via motorcycle on a potholed dirt road to deliver their babies. Additional equipment is needed to equip the maternity ward. Community health programs to improve hygiene and prevent malaria are critical to helping the community thrive.

Equip the Clinic

- Malaria test & treatment | **\$13** per person
- One-month clinical officer salary | **\$225**
- One-month medical supplies | **\$250**
- Malaria education outreach & testing | **\$500**
- Labor & delivery beds | **\$500** (2 needed)
- Incubator | **\$1500**

MONTHLY GIVING

Consistency brings stability.

Regular giving funds operations and helps us budget and plan effectively. Would you consider joining the HEED “Transformation Team” by becoming a monthly donor helping us to sustain and grow ministry programs?

Gift Information

ONLINE: www.heeduganda.org/give.php

You may choose item(s) from our catalog or select the amount and frequency of your ongoing gift.

MAIL/CHECK:

HEED Uganda • 555 Walnut St. #6 • Edmonds, WA 98020

Name: _____ Email: _____
