

2026

# GIVING CATALOG

HEED UGANDA

*“... a garment of praise  
... instead of a spirit of despair”*

*Isaiah 61:3*

## ABOUT HEED

*In a place nicknamed “unlucky,” God is creating a testimony.*

- Where children once dreamed of just getting a meal, they now dream of becoming mechanics, teachers, or computer programmers.
- Where health care was once inaccessible, mothers safely deliver babies in our community clinic.
- Where dirty pond water was all they had ever known, students nourish their bodies with purified, clean water.

Since 2005, HEED has grown from a small vision into a community of hope, now serving 7,200 people across five villages. Nearly 700 students attend our schools, and hundreds more participate in community development programs that build skills, opportunity, and dignity. This catalog shares some of our most exciting initiatives for 2026—each one a chance to bring tangible love, hope, and transformation. Will you join us in making a lasting difference?

## OUR MISSION

*To partner with communities in Uganda so that children and their families experience fullness of life for generations.*

## Our Pathways to Community Transformation

- Education
- Water Projects
- Spiritual Growth
- Health & Sanitation
- Community Development

If you would like to give an item as a gift, simply note that on the Give page at the end of this booklet or when making a donation on our website. We will send a card to you or your loved one honoring your gift.

## ENDOWMENT FUND

*Stability for the future.*

In order to provide reliable annual income without taking away funding from our core programs, HEED is establishing an endowment fund dedicated to paying capable administrative staff.

### How Does It Work?

An endowment fund is a permanent investment fund. The initial funding is preserved, and only the investment income is used to support our mission year after year.

### How You Can Support:

Mail a check (address on back page) or click on the QR code to give electronically. Your gift will be added to the endowment fund and invested responsibly.

## EDUCATION

*Essential resources to help children succeed.*

Over 700 children attend our schools today. This year 73 have graduated from high school, and 5 are now in university, all from a community where most didn't finish primary school and only two people had ever graduated from high school.

- The new multipurpose dining hall is a large welcoming space where students can share meals, gather for assemblies, and celebrate together. But it is empty. We need tables and benches.
- We are getting Starlink internet! Adding a video projector would open the door to rich on-line learning.
- With the red clay and heavy rains, our campuses turn to mud. Pavers for the walkways would create clean, safe pathways to our beautiful new buildings.

## Equip the schools

- Mosquito nets (x50) | **\$6 ea.**
- Dining hall table (x20) | **\$80 ea.**
- 20 pavers (x thousands) | **\$15 ea.**
- Mic & speaker (x3) | **\$250 ea.**
- Dining bench (x40) | **\$50 ea.**
- Video Projector | **\$1000**
- Hand washing station (x5) | **\$75 ea.**

## EXTRA-CURRICULAR ACTIVITIES

*Well-rounded students thrive.*

Athletics, music, dance, and drama bring joy, creativity, and balance to our students' rigorous six-day academic schedule. Simon, one of our original students, is an example of the benefits of athletics. He earned a soccer scholarship to university, is now a teacher at our High School, and heads our athletic department.

Our students dream of competing in chess, volleyball, netball and soccer tournaments—but their teams need to be equipped and transportation provided to away competitions. Can you help us provide the tools and resources needed so our kids can have these fun and enriching experiences?

### Fun & Games

- Jerseys (x50) | **\$8.50 ea.**
- Dance costume (x50) | **\$20 ea.**
- Volleyball net | **\$25**
- Soccer cleats (x25) | **\$25 ea.**
- Transportation (x10) | **\$75 ea.**

## SPIRITUAL GROWTH

*Every child is created in the image of God, is valuable, and has a purpose.*

Our deepest desire is that everyone we serve would be transformed by the hope of the gospel. Through our village church, Scripture Union Clubs in the school, and special outreach events, we are committed to sharing the love of God, both in word and deed.

The church is growing—so much so that we've run out of chairs on Sunday mornings! Without a Sunday School building, our children squeeze together on Pastor Annet's shaded porch each week. A simple tent with chairs would give them a comfortable, welcoming place to learn about the great God of the universe and His incredible love for them.

## Build the Kingdom

- Sunday School chairs (x50) | **\$10 ea.**
- Bible for graduates (x80) | **\$15 ea.**
- Chairs for main church (x50) | **\$20 ea.**
- Mic stand (x4) | **\$100 ea.**
- BIG speakers | **\$250**
- Sunday School tent | **\$250**

## HEALTH

*Good health is the greatest gift of all.*

Our rural Ugandan clinic is a lifeline for our students, staff, and more than 7,200 neighbors from 6 surrounding villages. Last year almost 2500 patients received care, 975 children were vaccinated, and 15 babies were delivered. To continue improving our medical services there are some essential items needed—supplies like malaria testing and treatment kits, a wheelchair, a trolley stretcher, a portable baby crib, and an fetal monitor. Together, we can extend Christ’s love in tangible, life-giving ways to the families who depend on us

## Equip the Clinic

- Test & treat 5 patients for malaria | **\$25**
- Wheel chair | **\$125**
- Portable baby crib | **\$200**
- Trolley stretcher | **\$350**
- Fetal monitor | **\$1500**

## COMMUNITY DEVELOPMENT

*Partnering for community driven initiatives.*

Our community development program strengthens locally led leadership teams by equipping them to design and implement their own sustainable development plans. These initiatives are funded through community savings groups, where members collectively save and invest. Eleven groups—totaling 290 members—have saved, loaned, and reinvested nearly \$15,000 over the past two years, enabling resiliency in the members and the launch of eleven group-owned businesses.

The community development team also collaborates with the clinic team to introduce health and sanitation initiatives, improving overall community well-being. Transportation is needed to help reach deep, rural locations.

## Equip the Community Development Team

- Tippy taps (hand washing) | **\$50** for 20 sets
- Soil testing kit | **\$100**
- Tent for community meetings | **\$250**
- Bakery start-up equipment (for 20 people) | **\$1200**
- Motorcycle for staff | **\$1500**

## VOCATIONAL LEARNING & DEMONSTRATION FARM

*Education that transforms.*

Education transforms lives at every age. Our farm provides fresh crops and livestock to reduce school expenses while teaching income-generating skills to students and the community. Through our coffee project, we're building long-term sustainability, and this year we plan to plant an additional four acres of coffee.

Our Adult Literacy classes offer a priceless, second chance at education, and at our high school, every student learns a marketable vocational skill. Together, these initiatives nurture students, support families, and strengthen our communities.

## Empower Practical Skills

- 50 coffee seedlings | **\$25**
- Hairdressing doll | **\$25**
- Special breed goat | **\$80**
- Cutting table | **\$100**
- Treadle sewing machine | **\$100**
- Tailoring dummy | **\$125**

## GIFT INFORMATION

*Create a legacy with gifts that impact lives.*

### To Give

#### ... GO TO OUR WEBSITE:

You will find the items from the 2026 Catalog on our website under Support and Give. If an item is a gift, you may note that and request a card be sent to you or directly to your loved one on your behalf.

[heeduganda.org/give.php](https://heeduganda.org/give.php)

#### ... or MAIL a CHECK:

**HEED Uganda • PO Box 244, Edmonds, WA 98020**
